Re: Rainier View Water Co., Inc. – Agreement with Silver Pointe Condo
Association for Irrigation ERU – Playground East of 9911 185th St.
East

Dear Ms. Washburn:

The above Agreement is being filed for approval by the Washington Utilities and Transportation Commission. This year, the Company instituted irrigation agreements for those developments wishing to install an irrigation meter. The attached Agreement is in the Company's standard form for such irrigation agreements.

An agreement is being used because it contains terms, conditions and fees not found in the Company's tariff. The undersigned has authority to file agreements on behalf of the Company. Thank you for your consideration of this filing.

Sincerely,

/s/ Richard A. Finnigan
