Re: Traffic Exchange Agreement Between M & L Enterprises, Inc. and
United States Cellular Corporation

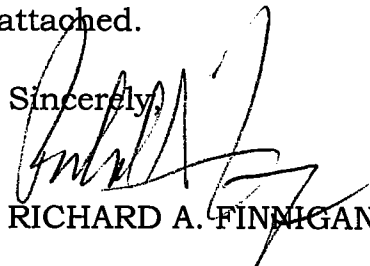

Dear Ms. Washburn:

Enclosed you will find the original and one copy of the above-referenced Traffic Exchange Agreement and the Request for Approval of Fully Negotiated Traffic Exchange Agreement. M & L Enterprises, Inc. views the agreement as negotiated pursuant to Section 332 of the Telecommunications Act of 1996. M & L Enterprises, Inc. did not negotiate this agreement pursuant to Section 251(c) of the Act and expressly preserves its exemption from Section 251(c) obligations.

However, in light of the generic language in Section 252(e) and the Federal Communications Commission Order FCC 02-276 (WC Docket No. 02-89), pending further clarification from this Commission as to what agreements must be filed for Commission approval (see, e.g., Docket UT-033011), this agreement is filed for approval by the Commission.

Thank you for your attention to the attached.

Sincerely,

RICHARD A. FINNIGAN
