Point Recycling and Refuse Company has filed a proposal to increase rates in order to cover increased disposal costs. Since the Utilities Commission sets rates to cover the cost of providing service, this is considered a Pass-Through Rate Increase.

We are asking for these rates to be effective on May 15th, 2006.

	Current Rates	Proposed Rate
Permanent Service		
1-yard Dumpster Pickup	\$22.00	\$23.35
1-yard Dumpster Special Pickup	\$30.00	\$31.35
1.5-yard Dumpster Pickup	\$31.75	\$33.67
1.5-yard Dumpster Special Pickup	\$37.00	\$38.92
Commercial 32-gallon Can	\$6.00	\$6.22
Special Pickup Service		
Weighed Bins and Special Disposal	11 cents per pound	12.0655 cents per pound

The Commission has the authority to set the final rates that may vary from our request, either higher or lower depending on the results of the Commission's investigation. If you would like to comment on this proposal it is important for you to do so now. Comments may be submitted in writing or presented at the Commission's open public meeting. If you have questions, or you would like to be added to the mailing list for this case, you may contact the Washington Utilities and Transportation Commission at PO Box 47250, Olympia, WA 98504-7250; 1-800-562-6150; comments@wutc.wa.gov; or fax 360-664-3604.
