Ms. Carole Washburn, Secretary
Washington Utilities and Transportation Commission
PO Box 47250
Olympia, WA 98504

Dear Ms. Washburn:

Enclosed are proposed revisions to tariff 12.2 of Harold LeMay Enterprises, Inc. (G-98) d/b/a Rural Garbage Service. The purpose of this filing is to raise rates due to higher disposal, labor, fuel and insurance costs. This filing also updates the annual recycle commodity credit in accordance with the deferred accounting methodology.

If approved, this filing will generate approximately \$126,000 annually or about 5.6% on county revenue.

A notice will be sent to customers on or before December 1, 2006. A copy of this notice will be provided to staff prior to this date. The Thurston County Commissioners office will receive a copy of this cover letter. Work papers in support of this increase are contained on an electronic file that is being sent to Commission staff. All other records are available at our Tacoma location.

If I can be of any further assistance, please contact me at 253-536-4416 or 253-537-8689 (fax) or johnlloyd@lemayinc.com.

Respectfully,

John Lloyd
Controller
