Re: Request for permission to suspend service of Kitsap Ferry Company –
Permit # BC-128.

Dear Ms. Washburn,

Pursuant to WAC 480-51-130, Kitsap Ferry Company, LLC seeks permission
from the commission to suspend service on Permit # BC-128.

We propose that service cease as of April 1, 2007 and resume by April 1, 2008.

Our decision to suspend service is based on the recent defeat of Kitsap Transit's
ballot measure that otherwise could have provided a reliable funding source for
expanded service, as well as lower than expected ridership, high fuel prices and
WSF's fare-free eastbound travel.

Thank you for your consideration.

Respectfully,

Greg Dronkert
