Transportation Commission
P.O. Box 47250
Olympia, Washington 98504-7250

Dear Ms. Washburn:

Qwest Corporation is forwarding for filing the sheets listed on Attachment A.

The purpose of this filing is to increase the Lifeline credit towards CALC, also known as the Subscriber Line Charge, from \$5.84 to \$5.86. This change coincides with the decrease to the Federal Access rate for primary residential service in Washington that will become effective June 30, 2007 in accordance with the FCC filing.

Qwest respectfully requests less than statutory consideration of this filing, allowing for an effective date of June 30, 2007. If you have any questions concerning this filing please contact Marie Larchick on (402) 422 7482. Thank you.

Sincerely,

Mark Reynolds
