Dear Ms Washburn

Please accept the attached documents as support for our July fuel surcharge.

Fuel has risen to \$2.93/ gallon from our base year \$2.01/gallon. We are requesting a fuel surcharge of \$0.50 one way to help cover this increase.

Our request has an effective date of July 25<sup>h</sup> but with the LSN filing we are requesting an effective date of July 7, 2007.

Sincerely
