Dear Ms Washburn

Please accept the attached documents as support for our July fuel surcharge.

Fuel has risen to \$3.19/ gallon from our base year \$1.40/gallon. We are requesting a fuel surcharge of \$2.50 one way to help cover this increase.

Our request has an effective date of September 13th but with the LSN filing we are requesting an effective date of August 15, 2007.

Sincerely

Richard Johnson  
President – CWA, Inc
