RE: Tariff Submittal, Certificate Number G-000009

Attached please find revised pages for Tariff Number 25 for Murrey's Disposal Co., Inc. G-000009.

Our company has been notified that the tipping fee in Pierce County will increase from \$98.89 to \$101.95 per ton, a 3.09% increase, effective March 1, 2008.

In addition, we respectfully petition the Commission to approve a rate increase for yard waste at 31.2%, curbside recycling at 15.6%, multi-family recycling at 29.1% and recycling stations at 10.1%. The last change in curbside recycling was 3 years ago, for multi-family, recycling stations and yard waste 9 years ago.

Attached are the tariff pages, as well as supporting documentation, containing the increased rates. If these rates are approved by the Washington Utilities and Transportation Commission they will become effective on March 1, 2008. The customers will receive notification of the change in tipping fee on the first billing reflecting the increased rates. Recycling and yard waste customers will receive notification no later than January 31, 2008.
