Dear Sirs:

Subject: Waste Management of Greater Wenatchee, a division of Waste Management of Washington, Inc.(G-237); Tariff # 12

Please find enclosed revised tariff pages 2, 22, 24, 33, 34, 36, 38 and 40 for the above-referenced company. The purpose of these tariff page revisions is to renew the assessment of the solid waste fee to residential and commercial customers in unincorporated Douglas County. This fee is charged in accordance with Douglas County Solid Waste Collection Fee Ordinance, C.E. 94-014. As shown on the attached letter from Ron Draggoo, Douglas County Solid Waste Program Director, Waste Management's "fair share" portion of the fee for 2008 is \$168,133. This fee is \$61,876 greater than the fee assessed in 2007. Accordingly, we are proposing that the fee charged to customers be increased 45.6% as reflected in the above revised tariff pages. The proposed effective date of the renewal of this fee is April 21, 2008 and the expiration date is March 31, 2009.

In addition to the letter mentioned above, enclosed for your review are our accounting work papers. Also enclosed for your consideration is a request for LSN treatment of these revised tariff pages, in order that the revised Douglas County Solid Waste Collection Fee may become effective as of April 1, 2008. Customers will be notified of the change in their fee on their next regularly scheduled billing.
