Regarding the 2007 Annual Report due date
From: Shirley Fricke,
Exec. V.P.
Pacific Northwest Transportation Services, Inc.
Dba Capital Aeroporter

I am communicating with the WUTC relative to the inability to submit our 2007 Annual Report on requested date of May 1, 2008.

Due to the fact that I just had surgery and the report is not completed.

The regulatory fees due by May 1 for the mileage report will be submitted timely.

Please respond to this email by April 29" 2008.

If you need something from my Dr. indicating the verification of the surgery, I can do that.
