RE: An LSN request to amend the Lummi Island Ferry Fares in our current tariff contained in Item 53.

Dear Ms. Washburn:

Enclosed are revisions to our Solid Waste Tariff No. 6 for Permit G-14. These tariff pages have an issue date of May 1, 2008, with an effective date of June 20, 2008. We are also requesting an LSN so that these rates can become effective June 1, 2008, the date the increases become effective per Whatcom County Ordinance 2008-017.

As you recall, Tariff Item 53 was recently established in Docket TG-080633. The current round trip fare to Lummi Island is increasing from \$90.00 to \$208.00 for a delivery and a dump. There are no current Lummi drop box customers at this time, and any future customers will be told of the increase when they request service.

If you have any questions relating to this filing, please contact me or in my absence Bob Colbo, at (360) 734-3490.

Sincerely,

Edward J. Nikula  
Vice President
