Dear Ms Washburn

Please accept the attached documents as support for our August fuel surcharge.

Fuel has risen to \$4.85/gallon from our base year \$2.01/gallon. We are requesting a fuel surcharge of \$2.50 one way to help cover this increase.

Our request has an effective date of June 28th but with the LSN filing we are requesting an effective date of June 1, 2008

Sincerely

Richard Johnson
