RE: Sanitary Service Co., Inc., G-14 - First Request for a Fuel  
Surcharge of 0.98%.

Dear Ms. Washburn:

Enclosed are revisions to our Solid Waste Tariff No. 6 for Permit G-14 that impose a 0.98% fuel surcharge for the garbage and recycling services we provide. We can no longer absorb the huge increases in diesel fuel prices that now exceed \$5.00 per gallon with no end in sight. The tariff pages have an issue date of June 11, 2008, with a stated effective date of August 1, 2008. An LSN request accompanies this filing seeking an earlier actual effective date of July 1, 2008.

Work papers supporting this filing include the following:

- 1) Tariff Supplement
- 2) Tariff Check Sheet
- 3) LSN Application
- 4) Copy of the "Notice to Customers"
- 5) Backup Pro Forma Income Statements
- 6) Solid Waste Fuel Surcharge Worksheet

If you have any questions relating to this filing please contact me at (360) 734-3490.

Thank you for your consideration.

Sincerely,

Ed Nikula  
Vice President
