Bonafide Request Form (BFR)

Purpose: This form is used to request deployment of long-term Local Number Portability as defined in the FCC mandates (CC Docket 95-116). Specifically, this form requests that **ALL** codes be opened for portability within the Metropolitan Statistical Areas and wireline switch CLLI codes designated below. This form may be used for both wireless and wireline requests.

Actions Required of the Recipient:

1. Within 10 days of receipt, provide confirmation to the requestor that this form has been received.
2. For **all** currently released codes, and those to be released at any future time, within the designated wireline switch CLLI codes (where applicable), open **all** for porting within the LERG.
3. For **all** currently released codes, and those to be released at any future time, within the wireline switch CLLI codes (where applicable), open **all** for porting within the NPAC (Number Portability Administration Center).
4. Ensure that all switches handling codes within the designated RC are Local Number Portability capable.
