RE: Special Fuel Surcharge Supplement No. 38 for Lake Chelan Recreation,
Inc, dba Lake Chelan Boat Company, Certificate Number B-34, D-3

Dear Mr. Danner:

The company requests Commission approval to amend its filed Tariff No. 63 on Less Than Statutory Notice to include a Special Fuel Surcharge Tariff Supplement No. 38 to recover the rising cost of fuel. The amount of the surcharge requested is \$2.50 per one-way passenger fare and \$5.00 per round-trip passenger fare to become effective on August 23, 2008.

We have just received updated information on how the WUTC would like to see fuel surcharge requests submitted. We are using all suggested/revised forms. However, we are not clear on how to determine the percentage amount that rates will change if they become effective, or the amount of revenue expected, and are hoping this will not affect this request. Our current fuel surcharge expires on 8/23/08 and we cannot go without one. We are requesting that since we just received this request days ago, that you allow us to determine that process before the next fuel surcharge request.

If you have any questions about this filing, please contact Cindy Engstrom at (509) 682-1123 or via email at cindy@ladyofthelake.com.

Sincerely,

Jack Raines
