Dear Sirs:

Subject: Waste Management of Greater Wenatchee, a division of Waste Management of Washington, Inc.(G-237); Tariff # 12

Please find enclosed revised tariff pages 2, 22, 24, 33, 34, 36, 38 and 40 for the above-referenced company. The purpose of these tariff page revisions is to renew the assessment of the solid waste fee to residential and commercial customers in unincorporated Douglas County. This fee is charged in accordance with Douglas County Solid Waste Collection Fee Ordinance, C.E. 94-014. As shown on the attached letter from Ron Draggoo, Douglas County Solid Waste Program Director, Waste Management's "fair share" portion of the fee for 2009 is \$183,913. This fee is \$15,780 greater than the fee assessed in 2008. Accordingly, we are proposing that the fee charged to customers be increased 6.6% as reflected in the above revised tariff pages. The proposed effective date of the renewal of this fee is April 3, 2009 and the expiration date is March 31, 2010.

In addition to the letter mentioned above, enclosed for your review are our accounting work papers. Customers will be notified of the change in their fee on their first regularly scheduled billing after the approval of the Commission.
