Subject: First Communications, LLC-Extension Request

Rae Lynn,

As per our conversation, First Communications, LLC would like to request a one month extension of the filing deadline for the filing of the Washington Annual Report with the Utilities and Transportation Commission. This should give the company a new filing deadline of June 1, 2009 at which time we should have all information required by the annual report available to us.

Please feel free to contact me if you have any questions regarding this request.

Sincerely,

Marina Jukic
