Re: Roche Harbor Water System – Petition for Waiver

Dear Mr. Danner:

Enclosed you will find the original and twelve copies of a Petition for Waiver of Filing Requirements. The purpose of this Petition for Waiver is to request waiver of WAC 480-07-505 and WAC 480-07-530 concerning the requirements for filings to accompany a general rate filing. This Petition for Waiver relates to the filing made by the Company on April 30, 2009, to recover the costs of annual replacement of activated carbon in a new treatment facility that is projected to be on-line June, 2009.

Thank you for your consideration of this waiver request.

Sincerely,

RICHARD A. FINNIGAN
