Re: Cascade Adventures, Inc. (Cert No. C-63530) temporary discontinuance of service

May 8, 2009

To Whom It May Concern:

Cascade Adventures, Inc. provides daily shuttle service to and from Mt. Baker Ski Area during its normal winter operations. This year Mt. Baker Ski Area was open from December 14, 2008 until April 26, 2009. Cascade Adventures will temporarily discontinue operations due to the seasonal closure of Mt. Baker Ski Area and will resume operations when the ski season begins, anticipated November or December 2009, weather dependent.

Cascade Adventures therefore cannot declare a more specific date which it will resume operations until Mt. Baker Ski Area announces its opening day of the 2009/2010 season. Typically this announcement occurs within a few days to a week of their opening.

If the commission does not approve our request, we will operate as a loss. Our passengers use our service to access Mt. Baker Ski Area only. We expect if we continued our winter time service throughout the year, we would carry no passengers.

Thank you for your time. If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Anne Baker
