Advice No. 3658T

Carole Washburn, Executive Secretary
Washington Utilities and
Transportation Commission
P.O. Box 47250
Olympia, Washington 98504-7250

Dear Ms. Washburn:

Qwest Corporation is forwarding for filing the sheets listed on Attachment A.

The purpose of this filing is to decrease the Lifeline credit towards the Federal Access Line Charge, also known as the End User Line Charge, from \$5.88 to \$5.84. This change coincides with the decrease to the Federal Access Charge rate for residential primary line service in Washington that will become effective July 1, 2009. The FCC filing was made on June 16, 2009.

Qwest respectfully requests a less than statutory effective date of July 1, 2009 so that the federal credit for lifeline matches the Federal Access Charge rate. If you have any questions concerning this filing please contact Marie Larchick on (402) 422-7482.

Sincerely,

Mark Reynolds
