Dear Mr. Danner:

Qwest Corporation is forwarding for filing the sheets listed on Attachment A.

The purpose of this filing is to decrease the Federal Lifeline credit from \$5.88 to \$5.84. This change coincides with the decrease to the Federal Access Charge rate for residential primary line service in Washington that will become effective July 1, 2009. The FCC filing was made on June 16, 2009.

Qwest requests the effective date of July 1, 2009 in accordance with WAC 480-80-123, so that the federal lifeline credit directly offsets the Federal Access Charge rate. If you have any questions concerning this filing please contact Marie Larchick on (402) 422 7482.

Sincerely,

Mark Reynolds
