RE: Casa Bella Properties LLC Yelm Hwy Large Lot, Contract with the Developer

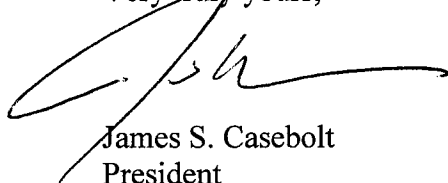

Dear Ms. Washburn,

Please find enclosed two copies of an agreement between Pattison Water Company, Inc. and Casa Bella Properties LLC (the developer). Also enclosed is the plan showing the route of the piping and a cost analysis of the planned project. The Casa Bella Yelm Hwy Project will serve 9 five-acre lots, and will have two fire hydrants. We anticipate that the project will take four days to construct, and another day to test. The total length of pipe to be installed is 960 feet of eight inch Cl-200 PVC pipe.

We have estimated that the total cost (including tax) of this project will be \$39,494.00. As stated in the contract, Pattison Water Company will purchase the project from the developer at one-half the total construction cost: (\$19,747.00).

Questions regarding this submittal can be directed to me at (360) 412-1252, or jcasebolt@comcast.net.

Very truly yours,

James S. Casebolt
President
