MISCELLANEOUS SERVICE ARRANGEMENTS (Continued)

Payphone Service (Continued)

D. CONDITIONS (Continued)

14. Unless the Customer requests otherwise, each Payphone Service furnished pursuant to this Schedule will not be arranged for International Call Blocking. Upon request by the Customer, Payphone Service furnished pursuant to this Schedule will be arranged for international Call Blocking. For a description of International Call Blocking and the terms and conditions that apply thereto, see TUECA Tariff F.C.C. No. 2. In instances in which Payphone Service is arranged for International Call Blocking at the Customer's request, the Customer shall indemnify and hold harmless the Company from and against any and all claims (including, but not limited to, reasonable attorneys' fees incurred in connection with any such claim) arising from the inability of any person to originate an international call from the Payphone. (C)
15. Minimum charges for Payphone Service shall apply when the entire service associated with any Payphone Service is discontinued within one calendar month of the service establishment date. The minimum charge will consist of one month's service and feature rates and the non-recurring charges.
16. The Company may dispatch an employee to check a trouble report for a Payphone if central office line testing is inconclusive or unavailable. The Company shall dispatch an employee within standard operating parameters if requested by the Customer. The Customer shall reimburse the Company for all costs incurred by the Company, including time and materials, for visits by any Company employee to the vicinity of the premises at which Payphone Service is installed when a service difficulty or trouble report is made by the Customer related to a Customer's Payphone and the trouble is not attributed to the Company's facilities.
