Re: Fuel Surcharge Request and LSN for Pacific Northwest Transportation Services, Inc. (C-862)

Mr. Danner:

The company requests Commission approval to amend its filed Tariff No. 4 on Less Than Statutory Notice to include a Special Fuel Surcharge Tariff Supplement No. 74 to recover the rising cost of fuel. We respectfully request approval and adoption of the attached "Fuel Surcharge Tariff Supplement" and "Docket A-042090 Fuel Surcharge LSN", with the LSN effective date of: 21 August 2009, to recover the risen cost of fuel. Please see supporting documents attached as "FUEL PacNWTransp September 09".

The proposed fuel surcharge amount is \$0.50 per one way passenger fare and \$1.00 per round-trip passenger fare. The percentage amount that rates will change if "Special Fuel Surcharge Tariff Supplement NO. 74" becomes effective will be as follows:

Minimum Percentage

Proposed Surcharge Amount	\$0.50
Divided by Highest Fare Amount	\$305.00 for 7 passengers from Fare Zone Z
Percentage Amount	1.15%

Maximum Percentage

Proposed Surcharge Amount	\$0.50
Divided by Lowest Fare Amount	\$5.00
Percentage Amount	10.00%

Revenue is expected to change, if the proposed rates become effective, as follows:

Base Year's Average Customer Count	2686 per month
Multiplied by Proposed Surcharge Amount	\$0.50
Amount of Revenue	\$1343.00

Customer notice has been posted in all vehicles and at our Seatac Airport customer service counter. Supporting documents from our fuel supplier will follow as "Fuel Purchase History through 08-17-09".
