Dear Mr. Danner:

Enclosed you will find the original and three copies of the above-referenced tariff sheets. The purpose of this filing is to continue the restructuring of rates that began with the reduction of the treatment surcharge that became effective July 17, 2009. This filing also initiates a general rate increase. The Company's costs of operation exceed its revenues and is the reason for this filing.

The proposal would increase all rates by 3.4% over 2008 revenues. The table below sets out the effect on the average customer.

<u>Average Customer</u>	<u>Existing Monthly Bill</u>	<u>Proposed Monthly Bill</u>
Metered Customer	\$24.75	\$25.78

Below is a schedule that shows how the individual rates are proposed to change:

<u>Residential Charge</u>	<u>Existing Rate</u>	<u>Proposed Rate</u>

Over 3000 cubic feet, per 100 cubic feet or portion thereof.	\$5.00	\$5.00
Flat Rate (Unmetered)	\$19.90	\$24.00
<u>Commercial/Schools</u>	<u>Existing Rate</u>	<u>Proposed Rate</u>

*This surcharge, even at the lower rate, expires in approximately three years.

Also enclosed is a results of operations statement for the 2008 test year with supporting schedules for restating and proforma adjustments. Because of the size of the schedules, water usage and the general ledger are not included, but will be supplied to Staff upon request. In addition, a depreciation schedule will be sent to Staff by e-mail. Finally, a copy of the notice sent to customers on September 14, 2009, is enclosed.

The undersigned has authority to file tariff sheets on behalf of the Company.

Thank you for your consideration of this request.

Sincerely,

RICHARD A. FINNIGAN
