Transmittal Letter

Re: Supplemental Holiday Time Schedule

Dear Mr Danner:

In accordance with WAC 480-30-306 and 480-30-381 this Transmittal Letter accompanies our submission of a Supplemental Holiday Time Schedule in addition to our existing time schedule Number 7. There are two time periods involved, November 19th 2009 thru December 2nd 2009 on Original Page 4 and December 15th 2009 thru January 5th 2010 on Original Page 5. Included are the following documents: Supplemental Holiday Time Schedule and this cover letter. The main purpose of this schedule is to offer our North Whidbey customers the ability to arrive 3 hours earlier and connect to early departures from SEATAC during the holidays without the necessity to go the night before and stay in a motel in order to be at the airport for those early flights and to allow them to depart SEATAC 3 hours earlier if they arrive after midnight. If successful, we will evaluate this as a possible change to our regular schedule.

There are no rate increases, service limitations, or discontinuances associated with this notice and there are no public notification requirements (WAC 480-30-316) (RCW 81.28.040).

The holiday schedule is to be implemented for all Adult, Military and Senior and Youth (and their sub categories) from these 3 points; Oak Harbor, North Oak Harbor and NAS Whidbey. This is a temporary addition to our time schedule and does not affect our routes.

Thank you,

John Solin
