Re: Acquisition of Skyline Telephone by Timberline Telco

Dear Mr. Danner:

This letter is a courtesy notification that Beaver Creek Telephone Company, d/b/a Timberline Telco, has entered into a stock acquisition agreement to acquire the stock of M&L Enterprises, d/b/a Skyline Telephone. The FCC 214 Change of Control Public Notice was issued on November 2, 2009. This means that under the normal course of action, approval will be deemed granted on December 3, 2009, and the transaction may be closed at any time after that.

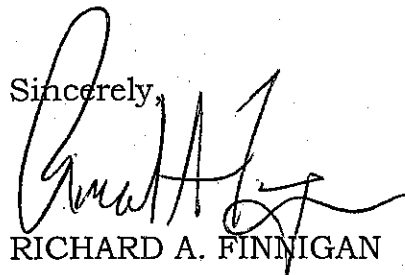

No action is required by the Washington Utilities and Transportation Commission. However, the Company wanted you to have this courtesy notice.

This transaction will be transparent to the customers of Skyline Telephone. The existing tariff will remain in effect for the foreseeable future.
