DEFINITIONS - The term "Qualifying Facilities" as used in this schedule shall have the same meaning as in Chapter 480-107-007 of the Washington Administrative Code

**TERMS AND CONDITIONS:**

1. The Customer-Generator will be required to enter into a written power purchase agreement in a form satisfactory to the Company prior to interconnection of Company and Customer-Generator's facilities. The minimum term of the power sale agreement shall be five (5) years.
2. All costs of interconnection of the Customer-Generator's facilities with the Company's system will be borne by the Customer-Generator. Such costs will include the initial cost of interconnection and those costs incurred by the Company from time to time with respect to the Customer-Generator's facilities and the interconnection with the Company's system. Interconnection shall comply with PSE's standards for interconnection. To the extent that interconnection of the Project is provided for in Schedule 80 of this tariff, the terms and provisions of such Schedule shall govern and control.
3. The Customer-Generator shall indemnify and hold harmless the Company from any and all liability arising from the operation and interconnection of the Customer-Generator's facilities. The Company will require evidence of insurance to this effect.
