Dear Mr. Danner:

Qwest Corporation is forwarding for filing the sheets listed on Attachment A.

This filing modifies Section 9.2.1 by designating Universal Emergency Number Service–911 (UENS911) as an ONA Basic Service Element (BSE). UENS911 will be a component of the Next Generation 911 offering and, as such, Qwest is required to declare UENS911 an ONA service and make it available to other parties who are legally authorized to provide 911/emergency service. The BSE designation does not change the offering or availability of UENS911.

Qwest is requesting an effective date of January 19, 2010.

If you have questions concerning this filing, please contact Robin Terry on (303) 383-6753.

Sincerely,

A handwritten signature in black ink that reads "Mark Reynolds". The signature is written in a cursive, flowing style.

Mark Reynolds
