Re: Fuel Surcharge Request and LSN for Pacific Northwest Transportation Services, Inc. (C-862)

Mr. Danner:

The company requests Commission approval to amend its filed Tariff No. 4 on Less Than Statutory Notice to include a Special Fuel Surcharge Tariff Supplement No. 75 to recover the rising cost of fuel. We respectfully request approval and adoption of the attached "Fuel Surcharge Tariff Supplement" and "Docket A-042090 Fuel Surcharge LSN", with the LSN effective date of: 03 February 2010, to recover the risen cost of fuel. Please see supporting documents attached as "FUEL PacNWTransp February 10".

The proposed fuel surcharge amount is \$0.50 per one way passenger fare and \$1.00 per round-trip passenger fare. The percentage amount that rates will change if "Special Fuel Surcharge Tariff Supplement NO. 75" becomes effective will be as follows:

**Minimum Percentage**

Proposed Surcharge Amount	\$0.50
Divided by Highest Fare Amount	\$305.00 for 7 passengers from Fare Zone Z
Percentage Amount	1.15%

**Maximum Percentage**

Proposed Surcharge Amount	\$0.50
Divided by Lowest Fare Amount	\$5.00
Percentage Amount	10.00%

Revenue is expected to change, if the proposed rates become effective, as follows:

Base Year's Average Customer Count	2017 per month
Multiplied by Proposed Surcharge Amount	\$0.50
Amount of Revenue	\$1008.50

Supporting document from our fuel supplier is included as "Fuel Purchase History through 01-27-10".
