To whom it may concern,

Please find attached Supplement No. 1 requesting the cancellation of Tariff WN.T.50, governing the transportation of freight via barge. We no longer provide barge service on Lake Chelan and have not for many years. We neglected to cancel this when we discontinued our barge service.

Thank you for your assistance. Please contact Cindy Engstrom at 509-682-1123, if further information is needed.

Sincerely,

Jack D. Raines
