To Rae Lynn Carnes

Dear Rae Lynn,

Master Call Communications (Dept. # 602306514) is requesting to extend its filing due date for 2009 Annual Return to June 30, 2010.

Due to the complex nature of the report and resources involved in providing accurate information, Master Call Communications is unable to produce complete report in a short time frame as some of the circumstances associated with preparation are beyond our control. A parallel request has been filed with the FCC and the IRS.

We fully expect to have sufficient data compiled and ready by the requested date of June 30, 2010.

Sincerely,

Ross Tsoutiev,
President, Master Call Communications Inc.
