D. Conditions

1. Upon request from a Subscriber having any class of exchange service, except service stations, the service may be suspended for a period of one month or more. No outward or inward service is provided during the period of suspension. Only one period of suspension is allowed in any calendar year and shall not to exceed six months.
2. If the period of suspension exceeds six months, at the option of the Company, the service may be disconnected and non-recurring service connection charges will apply for reconnection of service.
3. Temporary suspension of service may begin and terminate only at the beginning and ending of any given month, and providing adequate notice is given to make changes in the billing system. That is, vacation rates are not subject to pro-rata computations.
4. Bills are rendered at regular billing dates during the period of suspension and are due and payable when rendered; or the total amount of the expected suspension charges may be paid at the beginning of the suspension.
5. If the subscriber has not made further arrangements with the Company when the paid-for suspension service expires, at the option of the Company the subscriber's service may be discontinued.
6. Non-recurring service connection charges will be made for reconnecting service.
