Re: Westgate Communications LLC, d/b/a WeavTel – Local Exchange Tariff WN U-2 First
Revision of Sheet No. 63 Canceling Original sheet no. 63

Dear Ms. Washburn:

The above-referenced tariff filing is to modify the exchange boundary for Westgate Communications LLC d/b/a WeavTel to add territory to the Company's service area. This territory is currently not in a service area.

The reason for the filing is that service was requested in this territory. Westgate notified UTC staff of these requests and UTC staff stated that it was in line with UTC planning to service unserved areas and subscribers.

The description for the territory to be added is as follows:

Holden Addition – 48 degrees 13 minutes 30 seconds North by 120 degrees 47 minutes 30 seconds West, Township 32 North Range 17 East, Sections 31, 32, and 33. 48 degrees 8 minutes 0 seconds North by 120 degrees 47 minutes 30 seconds West, Township 31 North Range 17 East, Sections 4, 5, 6, 7, 8, and 9.

Lucerne Addition – 48 degrees 13 minutes 30 seconds North by 120 degrees 38 minutes 20 seconds West, Township 32 North Range 18 East, Sections 32, 33, and 34. 48 Degrees 8 minutes 0 seconds North by 120 degrees 38 minutes 20 seconds West, Township 31 North Range 18 East, Sections 3, 4, 5, 8, 9, and 10.

WeavTel requests an increase in the Stehekin Exchange boundaries and the filing of the accompanying revised exchange map for public record.

Respectfully submitted

Richard J. Weaver
General Manager
