Olympia, Washington 98504

Re: Fuel Surcharge Request and LSN for Pacific Northwest Transportation Services, Inc. (C-862)

Mr. Danner:

The company requests Commission approval to amend its filed Tariff No. 4 on Less Than Statutory Notice to include a Special Fuel Surcharge Tariff Supplement No. 81 to recover the rising cost of fuel. We respectfully request approval and adoption of the attached "Fuel Surcharge Tariff Supplement" and "Docket A-042090 Fuel Surcharge LSN", with the LSN effective date of: 5 August 2010, to recover the risen cost of fuel. Please see supporting documents attached as "FUEL PacNWTransp Aug 10".

The proposed fuel surcharge amount is \$0.50 per one way passenger fare and \$1.00 per round-trip passenger fare. The percentage amount that rates will change if "Special Fuel Surcharge Tariff Supplement NO. 81" becomes effective will be as follows:

Minimum Percentage

| | |
|--------------------------------|--|
| Proposed Surcharge Amount | \$0.75 |
| Divided by Highest Fare Amount | \$305.00 for 7 passengers from Fare Zone Z |
| Percentage Amount | 1.72% |

Maximum Percentage

| | |
|-------------------------------|--------|
| Proposed Surcharge Amount | \$0.75 |
| Divided by Lowest Fare Amount | \$5.00 |
| Percentage Amount | 15.00% |

Revenue is expected to change, if the proposed rates become effective, as follows:

| | |
|---|----------------|
| Base Year's Average Customer Count | 3059 per month |
| Multiplied by Proposed Surcharge Amount | \$0.75 |
| Amount of Revenue | \$2294.25 |

Supporting document from our fuel supplier will be sent following this filing as it is available.

Sincerely,

James N. Fricke
