Re: Notice Pursuant to WAC 480-70-141(3) Involving Murrey's Disposal, Inc., Certificate No. G-9

Dear Mr. Danner:

Pursuant to Commission rule, enclosed please find a copy of an executed city collection contract by which the City of South Prairie in Pierce County effectively opts out of the WUTC solid waste regulatory system under RCW 81.77.020. Service under this agreement is expected to start October 1, 2010. Also included is a map generally meeting the standards in WAC 480-70-056 for the affected area. Because city service is being initiated without purchase or condemnation of Murrey's Disposal certificate authority, we consider WAC 480-70-145(5)(a)(ii) as applicable to any future resumption of WUTC regulation within the City of South Prairie.

Please contact me if you should have any further questions on this matter.

Yours truly,

Dan Schooler
Division Vice-President

Encl.
