**Transmittal Letter**

Re: Supplemental Holiday Run 9 Schedule

Dear Mr. Danner:

This Transmittal Letter accompanies a Supplemental Holiday Time Schedule to our existing time schedule No. 9. The purpose of this schedule is to offer customers the ability to arrive for “Red-eye” flights departing from SEATAC and to be able to return home after a late night arrival from SEATAC without having to stay overnight to catch our early morning shuttle back.

There are no rate increases, service limitations, or discontinuances associated with this notice and there are no public notification requirements (WAC 480-30-316) (RCW 81.28.040).

The holiday schedule is to be implemented for all Adult, Military and Senior (and their sub categories) from the same points on Whidbey Island which are currently served by this company.

Thank you,

John Solin
