Dear Valued Residential Customer:

SSC appreciates the opportunity to provide you with garbage and recycling collection services. This notice is to inform you of a proposed rate decrease in the garbage collection and increase in the recycling collection portions of your bill as well as a decrease in FoodPlus! Recycling service rates.

It is our goal to provide customers with quality collection services at the lowest possible costs. We work hard to keep rates low, but changing employee hourly wage, payroll-related taxes, and health and welfare costs have made it necessary for us to request a rate adjustment. For questions or more information, please contact us at (360) 734-3490 or ssc@ssc-inc.com. Thank you for the opportunity to serve you.

Sincerely,

Paul Razore, President

Notice of Change in Residential Garbage and Recycling Collection Rates

Sanitary Service Company, Inc. (SSC) has filed a request for a change in residential garbage and recycling collection rates with the Washington Utilities & Transportation Commission (UTC). Proposed rates for the most common services are listed below. If your service is not listed, and you would like to know the proposed rate, please contact us at (360) 734-3490 or by email at ssc@ssc-inc.com. The actual rates, if approved by the UTC, may either be higher or lower than those proposed. If this request is approved by the UTC, the new rates would become effective February 1, 2011, and would apply to all residential customers in unincorporated Whatcom County.

RE: Sanitary Service Company, Inc., G-14 –Disposal Fee Increase

Dear Mr. Danner:

Enclosed are tariff pages for our Solid Waste Tariff No. 6. The tariff pages have an issue date of November 13, 2009, with a stated effective date of January 1, 2010. These pages reflect a disposal fee increase at Recycling and Disposal Services, Inc. effective January 1, 2010.

The filing is a WUTC Garbage Disposal Fee Filing pass through. The annual impact of the Recycling and Disposal Services, Inc. disposal fee increase is \$5,803 to drop box pass through revenues or 1% on disposal fees and .0005% on total company revenue.

Drop Box customers will be notified of the increase caused by the change in the disposal fees on their next printed bill to be sent out on or about January 1, 2010.

If you have any questions relating to this filing, please contact me at (360) 734-3490.

Sincerely,

Ed Nikula

RE: Sanitary Service Company, Inc. (Certificate No. G-14) Blaine-Bay Refuse, Inc. service area
Tariff No. 3, Item 230 increase

Dear Mr. Danner:

On behalf of Sanitary Service Company, Inc. (SSC), holder of Certificate No. G-14, enclosed are revisions to our Tariff No. 3 for increased disposal fees at RDS (Recycling and Disposal Services, Inc.). The increase is the result of the City of Ferndale increasing solid waste utility tax from 10% to 11% effective January 1, 2011. The annual impact on Tariff No. 3 is approximately \$5,000. Copies of the rate increase notices and the city ordinance are enclosed. Notice to the impacted customers will be shown on their bills.

**Chapter 3.25
SOLID WASTE OPERATION AND HANDLING**

Sections:

- 3.25.010 Definitions.
- 3.25.020 Levied.
- 3.25.030 Rate.
- 3.25.040 Remittance required monthly.
- 3.25.050 Violation – Penalty.
- 3.25.060 Exemption.

3.25.010 Definitions.

The following terms shall have the following meanings for this section of the Ferndale Municipal Code:

“Compostable material” shall mean all organic solid waste that could be used in a controlled aerobic degradation process.

“Electronic waste” shall mean any electronic product that is discarded or intended to be recycled in whole or in part.

“Recyclables and recyclable materials” shall mean those solid wastes that are separated for recycling or reuse, including, but not limited to, such materials as papers, cardboard, metals and glass.

“Solid waste” shall mean all putrescible and nonputrescible solid and semisolid wastes including, but not limited to, garbage, rubbish, ashes, industrial waste, swill, sewage sludge, demolition and construction wastes, and abandoned vehicles or parts thereof, discarded commodities, wood waste, dangerous waste, and problem waste. This includes all public, private, industrial, commercial or agricultural operations.

“Yard debris” shall mean plant material commonly created in the course of maintaining yards and gardens, and through horticulture, gardening, landscaping, or similar activities. Yard debris shall include, but is not limited to, grass clippings, leaves, branches, brush, weeds, flowers, roots, windfall fruit, vegetable garden debris, holiday trees, and tree prunings. (Ord. 1466 § 1, 2008; Ord. 1300 § 1, 2003)

3.25.020 Levied.

There is levied and shall be collected a solid waste utility tax upon every person or company in the business or undertaking of collecting, handling, reselling and/or disposing of any of the following residential, commercial, and/or industrial sourced material: solid waste, compostable materials, electronic waste,

recyclables and recyclable materials, and yard debris. (Ord. 1466 § 2, 2008; Ord. 1300 § 1, 2003)

3.25.030 Rate.

- A. The rate of tax imposed by this chapter shall be seven percent of the gross income from solid waste collection, handling, and disposal conducted in the City, effective February 1, 2007.
- B. The rate of tax imposed by this chapter shall be eight percent of the gross income from solid waste collection, handling, and disposal conducted in the City, effective January 1, 2008.
- C. The rate of tax imposed by this chapter shall be nine percent of the gross income from solid waste collection, handling, and disposal conducted in the City, effective January 1, 2009.
- D. The rate of tax imposed by this chapter shall be three percent of the gross income from the collection (restricted to front end over the scale) of the following: compostable materials, electronic waste, recyclables and recyclable materials and yard debris. There shall be no tax on revenues of processed (back end) recyclables.
- E. The rate of tax imposed by this chapter shall be 10 percent of the gross income from solid waste collection, handling, and disposal conducted in the City, effective January 1, 2010.
- F. A late fee of one and one-half percent shall be applied for payments received by the City more than five business days after the due date. For example, a March solid waste utility tax report and taxes are due with a postmark of not later than April 30th.
- G. All payments and late fees resulting from the solid waste utility tax shall be deposited into the City's solid waste fund.
- H. The rate of tax imposed by this chapter shall be 11 percent of the gross income from solid waste collection, handling, and disposal conducted in the City, effective January 1, 2011.
- I. The rate of tax imposed by this chapter shall be 12 percent of the gross income from solid waste collection, handling, and disposal conducted in the City, effective January 1, 2012. (Ord. 1579 § 1, 2010; Ord. 1538 § 1, 2009; Ord. 1466 §§ 3, 4, 2008; Ord. 1447 §§ 1, 2, 2007; Ord. 1417 § 1, 2007; Ord. 1381 § 1, 2005; Ord. 1300 § 1, 2003)

3.25.040 Remittance required monthly.

Commencing with January 1st of the tax year, each one-month period

constitutes a reporting period, at which on or before the last day of the month following the end of such monthly reporting period the tax for said period is due. (Ord. 1300 § 1, 2003)

3.25.050 Violation – Penalty.

Any contractor who fails or refuses to pay the tax when due shall be guilty of a misdemeanor. (Ord. 1300 § 1, 2003)

3.25.060 Exemption.

This solid waste utility tax shall not apply to entities that have entered into a franchise agreement with the City and are subject to a franchise fee for the collection, hauling, and transportation of solid waste and recyclable materials within the City. (Ord. 1300 § 1, 2003)

This page of the Ferndale Municipal Code is current through Ordinance 1600, passed August 2, 2010.

Yard debris shall include, but is not limited to, grass clippings, leaves, branches, brush, weeds, flowers, roots, windfall fruit, vegetable garden debris, holiday trees, and tree prunings. (Ord. 1466 § 1, 2008; Ord. 1300 § 1, 2003)

3.25.020 Levied.

There is levied and shall be collected a solid waste utility tax upon every person or company in the business or undertaking of collecting, handling, reselling and/or disposing of any of the following residential, commercial, and/or industrial sourced material: solid waste, compostable materials, electronic waste,

recyclables and recyclable materials, and yard debris. (Ord. 1466 § 2, 2008; Ord. 1300 § 1, 2003)

3.25.030 Rate.

A. The rate of tax imposed by this chapter shall be seven percent of the gross income from solid waste collection, handling, and disposal conducted in the City, effective February 1, 2007.

B. The rate of tax imposed by this chapter shall be eight percent of the gross income from solid waste collection, handling, and disposal conducted in the City, effective January 1, 2008.

C. The rate of tax imposed by this chapter shall be nine percent of the gross income from solid waste collection, handling, and disposal conducted in the City, effective January 1, 2009.

D. The rate of tax imposed by this chapter shall be three percent of the gross income from the collection (restricted to front end over the scale) of the following: compostable materials, electronic waste, recyclables and recyclable materials and yard debris. There shall be no tax on revenues of processed (back end) recyclables.

E. The rate of tax imposed by this chapter shall be 10 percent of the gross income from solid waste collection, handling, and disposal conducted in the City, effective January 1, 2010.

F. A late fee of one and one-half percent shall be applied for payments received by the City more than five business days after the due date. For example, a March solid waste utility tax report and taxes are due with a postmark of not later than April 30th.

G. All payments and late fees resulting from the solid waste utility tax shall be deposited into the City's solid waste fund.

H. The rate of tax imposed by this chapter shall be 11 percent of the gross income from solid waste collection, handling, and disposal conducted in the City, effective January 1, 2011.

I. The rate of tax imposed by this chapter shall be 12 percent of the gross income from solid waste collection, handling, and disposal conducted in the City, effective January 1, 2012. (Ord. 1579 § 1, 2010; Ord. 1538 § 1, 2009; Ord. 1466 §§ 3, 4, 2008; Ord. 1447 §§ 1, 2, 2007; Ord. 1417 § 1, 2007; Ord. 1381 § 1, 2005; Ord. 1300 § 1, 2003)

3.25.040 Remittance required monthly.

Commencing with January 1st of the tax year, each one-month period

constitutes a reporting period, at which on or before the last day of the month following the end of such monthly reporting period the tax for said period is due. (Ord. 1300 § 1, 2003)

3.25.050 Violation – Penalty.

Any contractor who fails or refuses to pay the tax when due shall be guilty of a misdemeanor. (Ord. 1300 § 1, 2003)

3.25.060 Exemption.

This solid waste utility tax shall not apply to entities that have entered into a franchise agreement with the City and are subject to a franchise fee for the collection, hauling, and transportation of solid waste and recyclable materials within the City. (Ord. 1300 § 1, 2003)
