RATE INCREASE NOTICE FOR RESIDENTIAL GARBAGE AND RECYCLING

Dear Customer:

December 30, 2010

Mason County Garbage Co., Inc. has filed a request for a rate increase with the Washington Utilities and Transportation Commission (WUTC). The last general rate increase was approved by the WUTC April 1, 2001. Since that time, the Company has experienced increases in operating costs in the areas of labor, employee benefits, fuel, parts and equipment amongst other categories which it now seeks to update in rates. In addition, the Board of County Commissioners voted to increase the tipping fee \$.64 per ton effective January 1, 2011. This also confirms current billing intervals for the Company are bi-monthly (one month in advance, one month in arrears), pursuant to WAC 480-70-396(2).

If approved, the proposed rates will become effective February 1, 2011. The rate per month will increase as follows:
