Re: Qwest Local Services Platform Agreement with Advanced Integrated Technologies Inc.

Dear Mr. Danner:

I have attached for your information a recently executed copy of an agreement between Qwest Corporation (“Qwest”) and Advanced Integrated Technologies, Inc. (“AIT”) called the Qwest Local Services Platform, or “QLSP” agreement. This agreement provides for AIT’s purchase from Qwest of mass market switching and shared transport elements that AIT may combine with local loops purchased from the separate interconnection agreement between Qwest and AIT. The services addressed in this QLSP agreement are the same as the services contained in the previous QLSP Agreement with Granite Telecommunications, LLC first filed on October 10, 2006 for informational purposes only.

Pursuant to Order No. 4 in WUTC Docket No. UT-053055, Qwest discontinued filing QLSP Agreements for informational purposes in the State of Washington because they were “identical agreements”. The enclosed agreement contains updated terms; therefore Qwest is providing it for informational purposes.

For the same reasons that the original QLSP agreements were not subject to filing and approval, Qwest’s updated QLSP agreement is not subject to the filing and approval requirements of Section 252.

Please contact me if you have any questions or concerns. Thank you.

Sincerely,

Lisa A. Anderl
