PROMOTIONS

3. One Month Free – One Bill Credit

During the period January 13, 2011 through April 13, 2011, existing business customers may be eligible for one bill credit when they contact the Company to inform them that they have received a better priced offer for the same or comparable service(s) from a competitor, or when they contact the Company to disconnect service(s) and agree to retain their service(s) with the Company.

To be eligible, the customer's charges for the specific service(s) for which they have received the offer must equal or exceed \$25 (excluding long distance, taxes, surcharges, and other fees) and the customer must agree to retain the service(s) for one year after receiving the bill credit.

The credit will be reflected on the customer's bill for the first month bill following the customer's acceptance of this promotion. The bill credit will be equal to the monthly charges for the services that were retained after the customer notified the company of the competitive offer or made a disconnect request (excluding long distance, taxes, surcharges, and other fees), not to exceed \$500.00 per bill credit.

A customer with multiple locations is eligible for this promotion at each location for which disconnection is requested, either all at the same time or separately, with the further caveat that the maximum credit available under this offer is \$500 per customer, regardless of the number of service locations, accounts or billing telephone numbers the customer has in service.

Customers who discontinue service(s) for which the credit was issued prior to one year after issuance of the credit will be assessed all charges originally waived under the promotion. The benefits awarded under this promotion may not be combined with the benefits of any other currently available promotion.
