Re: Fuel Surcharge Request and LSN for Pacific Northwest Transportation Services, Inc. (C-862)

Mr. Danner:

The company requests Commission approval to amend its filed Tariff No. 4 on Less Than Statutory Notice to include a Special Fuel Surcharge Tariff Supplement No. 91 to recover the rising cost of fuel. We respectfully request approval and adoption of the attached "Fuel Surcharge Tariff Supplement" and "Docket A-042090 Fuel Surcharge LSN", with the LSN effective date of: 31 May 2011, to recover the risen cost of fuel. Please see supporting documents attached as "Capair - Alternate Fuel Surcharge Calculation - May 25 2011" and "AutoTransFuelSurchargeWorkbook".

The proposed fuel surcharge amount is \$2.25 per one way passenger fare and \$4.50 per round-trip passenger fare. The percentage amount that rates will change if "Special Fuel Surcharge Tariff Supplement No. 91" becomes effective will be as follows:

Minimum Percentage

Proposed Surcharge Amount	\$2.25
Divided by Highest Fare Amount	\$305.00 for 7 passengers from Fare Zone Z
Percentage Amount	5.16%

Maximum Percentage

Proposed Surcharge Amount	\$2.25
Divided by Lowest Fare Amount	\$20.00
Percentage Amount	11.25%

Revenue is expected to change, if the proposed rates become effective, as follows:

Base Year's Average Customer Count	2,682 per month
Multiplied by Proposed Surcharge Amount	\$2.25
Amount of Revenue	\$6,034.50

Supporting documentation from our fuel supplier will follow with this filing.
