Dear Mr. Danner:

Qwest Corporation is forwarding for filing the sheets listed on Attachment A.

The purpose of this filing is to increase the Federal Lifeline credit from \$5.76 to \$5.77. This change coincides with the increase to the Federal Access Charge rate for residential primary line service in Washington that will become effective July 1, 2011. The FCC filing was made on June 16, 2011.

Qwest requests the effective date of July 1, 2011 in accordance with WAC 480-80-123, since the federal lifeline credit directly offsets the Federal Access Charge rate. There is no customer impact with this rate change. If you have any questions concerning this filing please contact Marla Hazlett on (303) 992 5838.

Sincerely,

A handwritten signature in black ink that reads "Mark Reynolds". The signature is written in a cursive, flowing style.

Mark Reynolds
