Re: Hood Canal Telephone Co., Inc. – Ephone Service - Second
Revision of Sheet No. 108 Canceling First Revision of Sheet No.
108

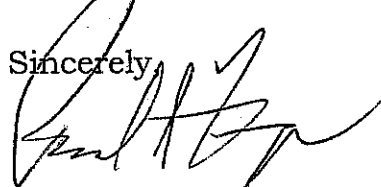

Dear Mr. Danner:

Enclosed is the above-referenced tariff sheet. The purpose of this filing is to introduce a new service known as Ephone Service. The "E" represents emergency service. This service is designed to be available to those customers that might otherwise disconnect landline service in favor of exclusive use of wireless service. It is meant to be an alternative for those customers.

Since this is a new service, a customer notice has not been sent to any customers.

If there are any questions concerning this filing, please contact the undersigned. The undersigned has authority to issue tariff sheets on behalf of the Company and to file tariff sheets with the Commission.

Sincerely,

RICHARD A. FINNIGAN
