CONDITIONS

Custom Calling Services are available only to those customers who are served from a Central Office equipped to provide such services.

Certain customer calling features are not available with party line service.

From time to time the Company may offer promotional programs where the non-recurring charges may be waived.

When a service is programmed for both Conference Calling and Call Waiting only one of the two may be activated at any one time.

When a service is programmed for both Call Waiting and Call Forwarding only one of the two may be activated at any one time.

A service may be programmed with any combination of the six custom calling services except that services with Line Busy Call Diversion may not be programmed for Call Waiting or Conference Calling.

DEFINITIONS

Call Waiting

A distinctive tone informs the telephone user that another call has been placed to his line. By briefly depressing the hookswitch, the user will be connected to the second caller while holding the first, subsequent depressions of the hookswitch will allow the user to alternate between callers.
