RE: WAC 480-143-190 Property Disclosure Report

Dear Mr. Danner:

WAC 480-143-190 requires public service companies to file with the Washington Utilities and Transportation Commission ("Commission") by March 1 of each year, a list of property transfers that occurred in the previous year without commission approval.

In 2011, PacifiCorp, d.b.a. Pacific Power & Light Company, (the "Company") had no transactions that included the transfer of property that exceeded the reporting threshold of 0.01% of the Company's rate base authorized by Commission in Order No. 06 in Docket UE-100749. The reporting threshold of 0.01% as established in WAC 480-143-190 for PacifiCorp is approximately \$73,000. Please note that only items allocated to Washington using the West Control Area allocation methodology are included in this report.

Attached please find the officer's affidavit in compliance with the requirements set forth in this rule attesting that there were no transfers of property meeting the rule criteria during the 2011 period.

If you have any questions or require further information, please contact Carla Bird, Regulatory Manager, at (503) 813-5269.

Sincerely,

William R. Griffith
Vice President, Regulation

AFFIDAVIT

I, Douglas Stuver, am an officer of PacifiCorp and am authorized to make this verification on its behalf. None of the items listed in the 2011 Property Transfer Report were necessary and useful for PacifiCorp's performance of its public duties. PacifiCorp received fair market value for each item.

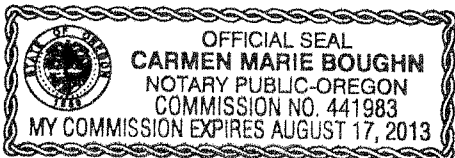

I declare upon the penalty of perjury, that the foregoing is true and correct.

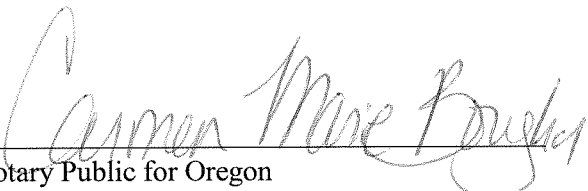

Executed on March 1, 2012 at Portland, Oregon.
