Dear Sir,

In accordance with WAC 480-30-421 attached Tariff #10 increases one-way rates by \$.25 per passenger whose origin or destination is Kitsap County effective July 15, 2012. This is a “single issue” pass through rate filing necessitated by the increase in Tacoma Narrows Bridge tolls which will become effective on July 1, 2012.

Appropriate pages in the rules reflects that round trip, commutation and group fares are rounded to end in the nearest quarter dollar (\$.25) and increase current fares by \$.25 per passenger.

Sincerely,

Richard E. Asche
