**1.1 APPLICATION OF TARIFF**

This Tariff contains prices applicable to the provision of network interconnection, access to unbundled network elements and ancillary network services in the State of Washington, provided by Qwest Corporation, d/b/a CenturyLink QC\*, hereinafter referred to as the Company, to Local Exchange Carriers (Carriers). Network interconnection is provided to Carriers for their use in the provision of telecommunications service to others. All service arrangements will be provided under interconnection agreements approved by the Commission. These agreements contain specific product descriptions, terms and conditions. The regulated and tariffed services offered herein by Qwest Corporation, d/b/a CenturyLink QC\*, whether under that name, or the trade or brand name CenturyLink, are subject to the terms and conditions of this Tariff.
