RE: Basin Disposal Inc. G-118
Proposed Tariff Change

Dear Secretary-

Enclosed herewith is proposed Tariff 93, replacing Tariff 92 issued February 15, 2013. The revisions are due to increases in disposal fees, wages, benefits, postage, fuel, medical insurance and other operating expenses. Our last general rate increase was 2005, 8 years ago. The annual revenue increase, if approved by the commission is approximately \$564,074.00 or 13.91% of total revenue. The change in a typical 96 gal can customer is approximately \$4.65 or 26%.

In conjunction, we submit the following in regards to the revised tariff:

Revised tariff pages
Copies of sample customer notices
Solid waste general checklist
Accounting work papers (both paper and electronic)

Notices will be mailed on or before March 1, 2013 to customers and the newspaper of general circulation. In addition, a copy of the transmittal letter was mailed to Franklin, Benton and Walla Walla counties. If we can provide any further information, please call me at (509)544-7709 or email me at Terri@Basindisposal.com.

Sincerely,

Terri Morris
